REPORT OF THE BOARD OF SELECTMEN

It has been an interesting year at the Selectmen's Office. I am sure by now that most people know that Virginia Howard was appointed to fill the vacant selectman's position. It has worked out well.

The revaluation hearings have been held and someone from the Department of Revenue Administration (DRA) will be in to go over any abatement forms that have come in and to advise the Selectmen on them.

Special Project monies are still going to be used to keep in line with long range plans on maintaining the roads the best we can. The paving on Woodbury hill seems to have come out well.

Permits this year have been about the same as last year, except for pistol permits at 9, junkyard 4, campground 1, sale of firearms 1, building permits 6.

We have a new Administrative Assistant in the office now, Barbara Connor. The office is open in the mornings now from 9:00 AM to 1:00 PM, Monday Through Friday.

Plodzik & Sanderson auditors are scheduled to be here the 17th and 18th of this February. Last years audit went well.

The Board of Selectmen wishes to thank all Officers, Boards and Committees for their dedication and support in the past year.

For the Selectmen,
Richard Labadie

TREASURER'S REPORT

The Treasurer's records have been put on to the computer beginning 1/1/93 for easy access.

The Town of Sullivan has become a member of the NH Public Deposit Investment Pool. This PDIP will pay better interest rates than CD's. It was created for NH towns and cities only.

Activity in the Conservation Commission Savings account was a withdrawal of \$500.00 to cover expenses on "Tire Recycling Day". Interest credited to the account for 1993 - \$144.73. Balance in account as of 12/31/93 - \$5131.53.

Respectfully Submitted,
Elva L. Frazier, Treasurer

SULLIVAN PLANNING BOARD REPORT

During 1993, the Planning Board concentrated its efforts on updating Sullivan's Master Plan. A Planning Board Subcommittee worked in coordination with the Southwest Regional Planning Commission for assistance in locating sources of information and for technical advice. The subcommittee successfully gathered and compiled much of the information needed to complete the revisions. However, it has become apparent that some professional assistance, particularly in the area of the surveying and mapping of land usage, will be necessary in order to ensure that the updated Master Plan will comply with state requirements.

The Board addressed and reviewed the status of several earth excavation sites. One site was inspected and approved as being properly reclaimed. The Board also received and reviewed reports concerning two active sites.

The Board reviewed several matters concerning driveway access onto town roads and approved one driveway permit. One subdivision application was filed and was pending at the close of 1993. The Board regularly received and addressed inquiries concerning various issues and procedures.

A number of Board members attended the annual law lecture series. Topics covered many recent developments in the law, including the rapidly changing areas of takings and municipal estoppel.

Respectfully submitted,

Timothy M. Frazier

POLICE DEPARTMENT REPORT

There's been a lot of changes in the Police Department. In the past year Sharon Perkins was elected Constable. In April Sharon hired myself, Tracy Gilman, as her Deputy. Together many more complaints were handled this year, including some serious calls with intoxicated subjects with firearms. There was also several arrests made, processed and found guilty in court. There were some people taken in to custody for involuntary emergency hospitalization.

Dogs are still a problem in town. We ask people to remember your dogs have to be licensed by April 31st. Due to the children being bitten nationwide by dogs, it is necessary for us to strictly enforce any and all dog laws. The State has imposed substantial fines for the dog laws so please take notice.

There have been many burglary alarms reported to us through mutual-aid this year. We are asking anyone that has an alarm system to please contact our department. We would like to speak with you to become familiar with who you are and where you live. Some alarm companies do not give the dispatchers very good directions to people's homes which delays our response time.

Another change that has taken place is that as of January 1st Sharon has stepped down as Constable and is no longer with the department. I was appointed Acting Constable until March. I will make every effort to continue the same service to the people and keep the department running in a smooth manner until a new constable is elected in March.

I want to thank the Selectmen and the townspeople for their continuing support of the last year, and I look forward to serving the townspeople in the upcoming year. If you have any questions or concerns, please notify me anytime day or night.

SULLIVAN FIRE & RESCUE DEPARTMENT

The Sullivan Fire and Rescue Department responded to 33 calls in 1993.

Fire calls were as follows:

- 1 Chimney - Furnace
- 1 House full of smoke
- 1 Car fire
- 1 Illegal burn
- 1 Brush fire
- 1 Motorcycle fire
- 1 Bulldozer fire
- 1 Wires down / Brush fire
- 4 Auto accidents
- 3 Mutual Aid responses
- 1 Fire alarm investigation
- 1 Basement fire

Rescue calls were:

- 1 Smoke inhalation
- 6 Auto accidents
- 1 Assault victim
- 1 Child birth
- 1 Back & neck injury
- 4 Medical emergencies
- 1 Seizure
- 1 Fall

Seven members of the Department took a 110 hour State Certified Firefighter Level One course and we're proud to say all 7 passed. Members also trained at 2 live burns in Stoddard and 1 in Gilsun. Members also attended a State Certified Forestry course and an auto extrication course on how to use hydraulic and electrical equipment. Members were re-certified in CPR.

Respectfully Submitted,
Barbara Connor, Secretary
Sullivan Fire & Rescue Department

ROAD AGENT REPORT

All of the trucks have had extensive repairs during the year, but so far they are all still in running condition. Expenses are all too numerous to mention but some of them include:

G.M.C. (1 ton) front end, transmission repairs *to be done*, snow plow was rebuilt for second time.

Ford 600 water pump, head gaskets, 2 valves, brakes

Ford 700 new tires

The grader has been used more extensively this year than ever before because of more snow and ice. So far the grader runs fine. The pay loader had some minor wiring repairs but is running fine.

Special Projects:

Roads reclaimed and to be finished (stone chip sealed) in 1994 are:

- 1 section of Apple Hill Road
- 1 section of Boulder Road
- 1 section of Gilsum Road
- South Road (1 section) was stone chip sealed.

Throughout the year, I have worked closely with the Selectmen and Budget Committee. They have approved my Highway Budget that I submitted. I attend Selectmen meetings on a regular basis and have kept people informed and welcome your input.

Roger Price and John Barnes are part time workers. Roger mainly runs the grader and John plows with the 1 ton and also labors. Lee Sprague and Dale Roberts Jr. were part time summer helpers during school vacation.

The first year of my 2-year term as Road Agent has been a profitable one in that money was *left over* in the Highway Budget. I think this is excellent considering I am the *only* full time employee in the Highway Department. A lot of work was accomplished, materials were paid for and our roads have seen improvement. My thanks go to all my part time helpers.

Respectfully Submitted,
Franklin Philbrick, Road Agent

CEMETERY SEXTON REPORT

Center Street Cemetery was limed and fertilized before snow fall. Also 2 graves were vandalized and had to be repaired.

Work has been started on the new expansion with hopes of completion in 1994.

The old cemetery on Centre Street needs some repairs but monies are not available.

Flags and geraniums were placed on both the veterans' graves and the monument on Memorial Day. Both cemeteries were kept mowed throughout the season with the help of my wife, Donna.

Respectfully Submitted,
Franklin Philbrick, Sexton

1993 CONSERVATION COMMISSION REPORT Town of Sullivan, NH

The seven member conservation commission met on a monthly basis during the calendar year to transact business according to the guidance and intent of NH RSA 36-A. Although it was another slow year in terms of development activities, several areas of concern maintained the active participation of all members. The following summarizes the range of events in which all members contributed their time and energy in various amounts:

Attended Meetings: The town of Sullivan was again represented at the annual meeting of the NH Association of Conservation Commissions in November. A report was filed and feedback given on increasing the local statutory authority of conservation commissions in NH; the Monadnock Regional Conservation Commission meetings were attended that focused on logging practices, violations, and the role of the Society for Protection of NH Forests (SPNHF); the Southwest Regional Planning Commission's Natural Resource Advisory Council was joined in an effort to ensure proper natural resource planning initiatives surrounding the Ashuelot River Watershed Management Study Project; and the DOT hearing on renovating the town bridges across Otter Brook was attended in November.

Filed Reports: A feedback survey was filed on the Silvio Conte National Wildlife Refuge Planning Project which includes land use planning efforts by the US Fish and Wildlife Service throughout the Connecticut River Watershed. A survey was completed for the town on New Hampshire's Statewide Conservation and Outdoor Recreation Plan, with specific reference to an inventory of recreation trails, parks and other areas in town. A survey was also completed on the amount, size and location of conservation lands in town as a part of the SPNHF's inventory and mapping of all municipal and private conservation lands in the state.

Solid Waste: A tire recycling weekend was held in July that successfully carted away **572 tires** or **6.25 tons** of old used tires from the hidden and not-so-hidden dump sites around town. Donations of \$14.65 helped offset the overall \$500 charge, which was roughly one third the price of disposal through regular means at the Keene Sanitary Landfill. Many thanks are due Frank Philbrick for his assistance in the collection of roadside and other tires, as well as the use of the town barn area. Also, hats off to the excellent efforts of all of the commission members who helped out! After a set of preliminary negotiations with a hauler in Weare, NH, we all look forward to a repeat performance with **Scrap Metal** during the weekends of **June 18-19 & 25-26** this year!

Other Activities: Bonding requirements were researched around the use of town roads by logging trucks and skidders. Of the several logging intents that were filed, two operations were visited to check for compliance in wetlands crossings. Only one wetland permit was filed and reviewed, and advice was given on a stream channelization project. A set of conservation articles, pamphlets and other documents were placed on file at the town library for public reference.

Again, many thanks to commission members Becky Cummings, Joe Ovensik, Ed McCann, Jean Hoffman, Dr. David Hall and Virginia Howard, who volunteered their time and efforts to help maintain the scenic quality of Sullivan that arises from the sound conservation of its natural resources.

Respectfully Submitted,
Rick Van de Poll, Chair

The library has seen several changes in 1993. Seth Cummings, Library Assistant, and Sarah Lucy, Library Director, each resigned their positions at the library. Their knowledge and expertise are missed. In September, Denise McFarland began as Librarian. Ella Pratt has been volunteering during story hour.

The state's summer reading program theme was "Ketchup On Your Reading". In spite of the efforts made to publicize the program and to plan various activities, it was not well attended.

The library has begun a weekly story hour, open to all ages. The first half-hour is dedicated to toddlers and others who have shorter attention spans. The second half-hour is devoted to classic literature and adults are also welcome. While there are some faithful attendees of the first half-hour, the second half-hour has gotten off to a slow start.

A Community Outreach Program is in its beginning stages. The goal and purpose of this program is to connect those in the community who are unable to borrow materials with volunteers who deliver library materials. It is also hoped that volunteers would read to those in the community who would enjoy this.

The library is now linked with the state library via computer. This provides us with access to many materials and information. The computer has also been used by many of our patrons to assist them with various projects.

There has also been a favorable response to the videos that the library has acquired during the past year.

The library is affiliated with the NUBANUSIT Co-op. This association provides our library with a number of benefits, including inter-library loans, a video-exchange program, purchasing discounts, updated library information, trainings, etc.

In addition to being a source of information and reading materials for the town, the library is used as the meeting place for the Planning Board, the Conservation Committee, the Friends of the Library, the Snowmobile Club, voter registration by the Supervisors of the checklist and the Health Department for Blood Pressure Clinics.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

Plodzik & Sanderson Professional Association
193 North Main Street
Concord, NH 03301
(603) 225-6996

April 2, 1993
To the Members of the Board of Selectmen
Town of Sullivan
Sullivan, NH

We have audited the accompanying general purpose financial statements of the Town of Sullivan as of and for the year ended December 31, 1992, as listed in the Table of Contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Sullivan as of December 31, 1992, and the results of its operations (and cash flows of its nonexpendable trust funds) for the year then ended in conformity with generally accepted accounting principles.
